CERTIFICATE OF APPRECIATION

Nehru Yuva Kendra Gadchiroli collaborates with other agencies in order to organize various programs and activities that will benefit the overall development of the youth in the district. In this regards, we are happy that during 2022 NYK Gadchiroli and DK Mahila Mahavidyalaya organized many events jointly. Students from your college along with NYK Volunteers successfully conducted Clean India2.0 (1st -31st October 2022) and made people aware about cleanliness and personal hygiene through plog run and cleanliness drives in the block level. The College also provided the platform to organize important national days like Chatrapati Shivaji Maharaj Jayanti (19th February'22); National Science Day (28th February'22) and Constitution Day (26th Novemeber'22).

All these could happen because of your positive attitude and commitment towards youth development. I would also like to appreciate your students who are very proactive towards such program and enthusiastically participate in various activities.

My best wishes to the Mahavidyalaya and the students for their bright future.

Sh. Amit Punde
District Youth Officer,
Gadchiroli.
